- ILANA: No, you can't have a ratatouille. This is my piece!
- PEYTON: There's a bunch... What?
- ILANA: This morning, I followed the recipe. I made a special ratatouille to eat after the party.
PEYTON: [Maddox and Peyton looked at each other] That's weird.
ILANA: This isn't weird, it's special. Back me on that, Maddox.
MADDOX: Maybe you guys shouldn't take Ilana's ratatouille. I want some of that ratatouille.
NATHANIEL: I'd be bummed if I didn't take a bite of that ratatouille.
ILANA: Oh, now Nate wants a bite of that ratatouille!
NATHANIEL: Yeah! I'd like to take a bite of that ratatouille! It's a ratatouille!
PEYTON: A fifth of everything is what's fair and reasonable.
MADDOX: Everyone gets a fifth of everything.
ILANA: I need that "fifth of everything" shirt, Nate!
NATHANIEL: (GASPS) You don't mean that! [tucked his shirt in]
ILANA: Oh yeah? I'm gonna cut this stuff off and make a headband!
NATHANIEL: You can't trim my shirt! It's special and cheap! Maddox made it for me!

SIMON: The problem is I want a slice of that ratatouille.
PEYTON: (SIGHS IN FRUSTRATION) Oh, for Pete's sake.
SIMON: No, for real, I'm getting hungry there. My tummy might get upset.
PEYTON: What?
ILANA: Your IBS is acting up. You can have some of that pizza if you want, OK?
LUXO JR.: Alright.
MADDOX: Fair enough.
ILANA: (SIGHS) I'm going to bed. [walks over to the couch]
MADDOX: (FACEPALMS) [groans in frustration and facepalms] Jesus...
PEYTON: [went to grab a sleeping bag from her room] Don't touch the ratatouille, Simon.
SIMON: Good night, Ilana.

MADDOX: Hey.
PEYTON: [fear turns down] Hey.
MADDOX: I'm gonna sleep with you.
PEYTON: What?
MADDOX: I'm gonna sleep with you because it's too scary to sleep alone.
PEYTON: This is my area.
MADDOX: [slinks inside the huge heavy blanket] I'm invading your area. I'm sorry, I'm too scared, OK? [exhales calmly] Are you mad at me?
PEYTON: [shook her head] No, if I am, I'm sure that in fact I have no interest in coming to this mall socially, now I'm barricaded alongside the people I don't like.

MADDOX: Maybe that was meant to be. Maybe a dangerous big earthquake happened as we came closer to a group of friends.

PEYTON: I don't need a group. I'm like William Alex Ryan, man. I'm a lone wolf.

MADDOX: Will Ryan is not a lone wolf. He needs friends to represent his YouTube Channel. You can't open the store alone. You need teammates that might help you in the major earthquake disaster situation.

PEYTON: Something else. The Judgment Day.

MADDOX: Like Terminator 2?

PEYTON: Not Terminator 2, for goodness sake.

MADDOX: Like... Skynet? Like... Skynet went live?

PEYTON: Maddox, stop saying Skynet, alright?

MADDOX: You just said Judgment Day.

PEYTON: More like... a biblical Judgment Day.

MADDOX: That's crazy, it's just...

PEYTON: You heathen.

MADDOX: Let's say for a second, there's a blue light sucking people up into the sky. That means we're not perfect enough to go to heaven. [Vincent Boyer appears in front of Maddox and Peyton, who gasped in panic]

(JUMPSCARE)

MADDOX: Oh, God!

PEYTON: Uh-oh.

VINCENT: What are you doing here?

MADDOX: [sits up] Vinny, blast you, you scared the bejeezus out of me!

VINCENT: I'm scared. I think it's better with more people. I think it might be more room to go to sleep. [gets on his bed]

(BED CREAKING)

MADDOX: [confused] Uh, OK?

PEYTON: Works for me. [curls up]

MADDOX: Well, that's better. [relaxed on his pillow]

PEYTON: I think it's better with more people.

NATHANIEL: [appears in front of the bedroom] Hey, guys.

MADDOX, VINCENT, SIMON, AND PEYTON: (ALL GASP) [jumped up in astonishment]

VINCENT: You idiot!

SIMON: You scared the bejeezus out of me! [clenched his fist on his head]

MADDOX: Nate!

PEYTON: Jeez!

NATHANIEL: [walks up between Maddox and Peyton, then cuddles with Peyton and Maddox in Scarface-style] Sorry, I think Ilana's having a crazy open floor plan. I can hear every word you guys are saying. I think it's better if I'm hanging out with you guys. (SIGHS CONTENTLY)
Coming in hot. Let's bang.

MADDOX: [felt Nate's left arm around Maddox's neck] Wait, by the way, is romance the only thing that matters to you?

NATHANIEL: [blushes] I love you guys.

PEYTON: [nods her head and feels Nate's right arm comfy] Well, I'd still believe that.
MADDOX: Yeah, me too.
NATHANIEL: What do you say we'll get under covers and stand close together?
MADDOX: Of course.
NATHANIEL: (SIGHS) [He, Maddox, and Peyton cuddled together in bed] I'm going bisexual there. Both of you.
PEYTON: (SIGHS) That's the stuff.
MADDOX: This is the best way. Good night, Nate.
PEYTON: Good night, Nathan.
NATHANIEL: Good night.

NATHANIEL: Night, my sweet chums. [kissed his friends goodnight]
MADDOX: (SIGHS) Yeah, a sweet polysexual goodnight kisses.
PEYTON: (SIGHS AFFECTIONATELY) You like that, don't you, bitch?
MADDOX: Yeah. Sweet dreams, fellas. [everyone gets under covers contently and went to sleep]

Scene 8: Michael Norris Doesn't Care

[One morning, a party-crasher, Michael Norris, woke up in the shower and peed in the toilet, and got ready to start the day. Michael cooked some food for his besties]

ILANA: (MUFFLED) Huh?
MICHAEL: Good morning, sunshine.
ILANA: Guys! Guys, wake up! Michael Norris is still alive! He's eating our food!
MADDOX, SIMON, PEYTON, NATHANIEL, VINCENT, AND LUXO JR.: (SHOUTING INDISTINCTLY) [all woke up jumping off bed and shouting at once at Michael]
ILANA: Stop eating our food!
MICHAEL: [shrugs] What? I made breakfast for you guys.
SIMON: [everyone stopped shouting] Oh, thank you.
MADDOX: This food is for a moment we're waiting for help!

MICHAEL: [points at the toothpaste all over Ilana's chin] Ilana, you got white crap all over your chin. Have you been eating out your friends' butts?

ILANA: I was just brushing my teeth!

MICHAEL: [frowns] Great, whatever. By the way, can you please tell me what's going on around there?

PEYTON: Look, Mike. I got some terrible news. We never leave the house. It's too dangerous outside.

SIMON: Yeah, much more than our share. There's a sinkhole out there in the front yard, which may cause fatalities!

MICHAEL: Well, what are some "fatalities" out here?

MADDOX: Here's the thing... All of our partygoers have perished back out there except for my PCA, Mr. Andy Johnson and his son Kai. Yet Ella Evans is dead, Ryan Young is dead, Jessie Jones is dead, Eric Cartman and Kyle Broflovski are still alive, Stan Marsh and Kenny McCormick and Wendy Testaburger all survived, even Taliq is dead.

MICHAEL: Taliq is dead? Huh. Hate to say this gently, but you all talked nonsense that way.

MADDOX: It's not nonsense.

PEYTON: Yeah, it's the truth!

ILANA: Yes, you got to believe me!

MICHAEL: OK, OK, I believe you.

MADDOX: (SIGHS) Right.

MICHAEL: I'm sorry about what happened outside.

PEYTON: It's OK. It was an accident.

MADDOX: Unless... it's not. Oh, God! What could we do? We're out of fuel! I can't go outside where chaos has been exposed.

[there was no question a conversation later, they heard a loud whack which came from the boards that had been torn from the window]

(AX WHACKING)

MICHAEL: What was that?

ILANA: Don't you fear... [picks up her revolver and cocked it] (GUN COCKS) I got this. [as the boards fall, AUTO peeked through inside the house]

AUTO: Hey guys! I'm out there!

MADDOX, PEYTON, NATHANIEL, DALTON, VINCENT, MICHAEL, AND SIMON:

(INCREDULOUSLY) Auto?!

AUTO: Yes, it's me! You gotta let me in!

MADDOX: Why?

AUTO: Things got a bit crazier out there. No one knows that the disasters are unsafe.

MADDOX: OK, fine. Just give me a second, let me talk to them. Guys, huddle!

ILANA: [Maddox and the gang huddled] We can't let that autopilot inside.

PEYTON: We can, as long as we might get a young adult, a teenager, a Disney/Pixar hero and/or villain-turned-protagonist, a pervert, an R-rated character, even a booby-banger.

MADDOX: [placed his hand on his breasts] Not my man breasts! If we won't let him in, we're never better than my old arch-nemesis, Trinity Rodriguez.

NATHANIEL: Maddox's right. AUTO seems to be the main antagonist of WALL-E's film.

AUTO: Hey! I know that I was mean before, but don't worry, I can change! [Maddox and the gang turned to AUTO]

ILANA: OK.

MICHAEL, SIMON, AND VINCENT: (ALL GASP)

SIMON: Are you sure about this, AUTO?

AUTO: Yeah! I'm not like what you're thinking. I'm forced to find a shelter!

MICHAEL: [stands up to let AUTO inside] Forget all of you, I'm letting him in. [suddenly, the creature outside decapitated AUTO's head, robot blood spilled everywhere]

SIMON: (YELLS) Gross! What the heck!?! It sparked!

ILANA: Shush! There's a lookout.

PEYTON: Oh my God.

ILANA: C'mon, c'mon! [friends led her upstairs]

ILANA: There it is! A watch tower!

NATHANIEL: [everyone including Michael looked out the window, Michael was the first one to panic over the sinkhole outside the front yard] Jesus Christ!

MADDOX: That's a sinkhole right there!

MICHAEL: What the hell is this!?

SIMON: Goddamn.

ILANA: Where's the thing that killed AUTO?

PEYTON: I don't know.

DALTON: How did his head fall off?

VINCENT: Where's the rest of him?

ON CAMERA

ILANA: [camera turns on to make sure that the screen was set to 4K and made the screen crystal clear while being filmed on her blog] Is the vital testing apparatus working? Is this thing on? Hi, this is Ilana Delevieluese. In the mall, and the library, we're stuck here for like 24 hours. Michael Norris is there. I didn't invite him to the party. So he came there and passed out in the shower, and I got to say it's like... typical flipping Norris. Like, I feel weird about him lately, like... I don't know if I want to be friends with him. He really showed up at my party, now we're stuck here with him in disaster lockdown. So...

MICHAEL: [knocks on the doorway after he stared at Ilana talking in the video for GLaDOS]
(KNOCKING) What up?

ILANA: Hey, Mike, what's up, dude?

MICHAEL: Not that much. Oh hey. What's this? [walked close to the camera]

ILANA: Oh, it's just a video confessional. I'm sending it to GLaDOS from Aperture Science in South America.

MICHAEL: Oh, OK. [walks out of the room]

ILANA: Damn this dude.

[the camera static cuts to the scene where Ilana was reading Maddox's disaster book from Reading A-Z, and discussing the serious problem for what happened out there in the city]

ILANA: Tsunamis are huge waves caused by earthquakes and volcanoes. The word *tsunami* means "harbor wave" in Japanese. Those waves can be as high as a football field. They're the largest waves in the world.

MICHAEL: Yeah. Tsunamis are not very high above the surface of the water. They are very deep.

MADDOX: Yeah, something happened outside.

PEYTON: A sinkhole in Ilana's yard! This is the first time the sinkhole occurred in South America. A bunch of Colombians got sucked into the ground.

SIMON: Maybe... Sinkhole de Mayo, I suppose?

VINCENT: Maybe it occurred in the summertime.
PEYTON: Wait a minute, it's not an earthquake, it's not a sinkhole, it's not a wildfire... Maybe it's the Apocalypse?
MADDOX: Apocalypse?
PEYTON: I know, right? I heard it from the Book of Revelations.
MADDOX: You took my bible?
PEYTON: I was just using it. Look at this page... "And the skies shall open up, and the light of the Lord shall shine down, and those of good heart shall be brought into my kingdom of heaven."
ILANA: That's Rapture. Those are the blue beams Maddox is talking about.
PEYTON: "And there will be a great mountain burning in fire." I heard the flames engulf the Hollywood Hills.
MADDOX: It's not a mountain, it's just a hill.
PEYTON: This would only take about 10 minutes to cross that melon farmer with no traffic.
SIMON: Maybe... Coldwater?
NATHANIEL: Maybe we should take Laurel Canyon.
DALTON: I should zip down to Barham.
PEYTON: Guys, could I just finish, I like Laurel Canyon. Look... [turns on the movie Godzilla VS. Gigan on TV]
(TV TURNS ON)
(MOVIE PLAYS ON TV)
PEYTON: Gigan devastated the whole city, only Godzilla had to fight him.
MADDOX: Well, that's a load of bullshit.
PEYTON: It's not bullshit.
ILANA: You know what happens? When it's the end of the world, and all the great people died, me, Maddox, Peyton, Vinny, Nate, Mike, Simon, and the rest of us are a bunch of casseroles.
NATHANIEL: I'm bisexually loveable, hon.
ILANA: If this is the Apocalypse, you're there too. You're just as sucky as the rest of us.
DALTON: Doesn't feel good, does it?

Scene 9: Let's Do Drugs!/Max On the Run 2 Official Trailer/Melanie Witte Returns

[meanwhile, Maddox and the gang are having a boring conversation, spending much time playing cards around the coffee table]

MADDOX: So.

PEYTON: (SIGHS) Awkward.

ILANA: Go fish.

MICHAEL: Boring.

MICHAEL: [going off to the bathroom] Hey guys, I'm going to take a nap in there, don't come in and aggravate me!

ILANA: OK!

NATHANIEL: I won't!

PAXEL: (SIGHS)

JAXON: Boring.

LUNA JR.: [stood up from the hammock] This part of the bucket list is dumb. Let's do something fun.

MADDOX: What do you wanna do?

LUNA JR.: How about we must have fun in the play place over there?

LUXO JR.: [hops off the chair] Nuh-uh. You have to get off the menu. That Rexo guy keeps pet rats.

VINCENT: [facepalms] Holy shit, dude.

[while Nathaniel was trying to cut the cheese, Ilana called out to Maddox to talk to him for a moment]

ILANA: Maddox, may I talk to you for a sec?

MADDOX: No way.

ILANA: Here. [giving Maddox the cheese and crackers]

MADDOX: Almighty God, where did you get these? What's with the cheese without the crackers? Know what I'm saying?

ILANA: Hide it.

MADDOX: Alright. [opens his pocket]

ILANA: Because we're a team, alright?

MADDOX: [puts the cheese in the Ziploc bag alongside the crackers] OK.

ILANA: Freaks forever, hon.

MADDOX: [carries the medications and pills of MDMA] Let's do all the drugs.

PEYTON: Well, no thanks. [drinks a cup of Diet Coke]

MADDOX: Should've thought of that before you drank some Diet Coke mixed with ecstasy.

PEYTON: [spits out the cocaine] (SPITS) What?

MICHAEL: Now, Delevieluese! Shoot her!

ILANA: I'm not gonna shoot Melanie! [refusing to shoot Melanie with the revolver]

SIMON: Put the ax down!

ILANA: Melanie, please, just stay here with us. It's a lot safer than out there.

NIGHT 2

ON CAMERA

[the scene cuts to Michael, Peyton, and Nathaniel talking on the video]

MICHAEL: Melanie stole all of our stuff.

NATHANIEL: Little 17-year-old bitty-ass jacked us.

MICHAEL: Peyton suggested that all of us are going to rape Melanie, now she's gone.

PEYTON: I didn't, I'm just...

MICHAEL: I think the only reason why she did that is because Peyton knew she's about 2 minutes away from becoming a house dog herself.

NATHANIEL: Now, my friends are thirsty.

[the static cuts to the scene to where Maddox and the gang planning to get water that was in the basement]

PEYTON: I know for sure that the door to the basement is right outside. It's right at the other side of the house.

ILANA: Maybe there are 2 jugs of water in there. Any volunteers? Does anyone volunteer to go with Peyton?

PEYTON: What?

NATHANIEL: You said "Someone wanna volunteer to go out with me".

PEYTON: You misheard it.

ILANA: You didn't, pal, you're not deaf.

MADDOX: [trying to calm his buddies] Chillax, Nate has to go.

NATHANIEL: Why?

MADDOX: Peyton is afraid to go outside.

ILANA: What?

SIMON: She should be, it's terrible!

MADDOX: Look, we're gonna play a game. It's called "Drawing Matches".

SIMON: Matches?

[Maddox and his friends gather around on the dining table, Maddox grabbed a box of matches and grabbed one and struck the match and blew it and arranged matches for about a number for his crew and held the matches in his hand]

(MATCH STRIKES)

MADDOX: OK, this is it. Whoever pulls the burnt match has to go get the water. (BREATHES)

ILANA: So, who wants to go first?

NATHANIEL: I'll do it.

MADDOX: Get one match, bro.

PEYTON: (SOFTLY) C'mon, c'mon, c'mon, c'mon!

MICHAEL: Please! Oh please!

DALTON: (BREATHING HEAVILY)

[Maddox and his buddies began to pray or plead, Nate grabbed on the match and finally pulled a burnt one]

NATHANIEL: Yes!

MADDOX: Congrats, Nate! You got the burnt match!

LUXO JR.: Yes!

SIMON: Yeah! Nathaniel Lewis, way to go, bud!

NATHANIEL: Thank you. Thank you all, special thanks to you guys. Now I'll try. Can someone grab a rope?

MADDOX: OK. Guys, grab me a long extension cord and tie it to Nate!

NATHANIEL: And after that, can you then tie it to the sheets?

PEYTON: Sure, sure. When anything bad happens, we'll pull you back inside, OK?

NATHANIEL: OK. [everyone tied the cord to Nate, then to the sheets and opened up the door]

MADDOX: What's that sound?

MICHAEL: He seems to be screaming.

SIMON: That seems slightly strange.

[Outside, Nate ran away from the creeper and trotted over to the front door]

(CREATURE ROARING)

NATHANIEL: Shoot, shoot, shoot! Oh man, oh man, oh man!

[Meanwhile, Maddox knew that Nate is in danger, he's terrified]

MADDOX: Maybe Nate is in dire peril!

MICHAEL: No he's not.

PEYTON: Maddox meant he's in serious immediate danger!

NATHANIEL: (SCREAMING IN DISTANCE) Help!

ILANA: [heard Nate call for help and saw the rope tugging out of the front door] Get that rope!

LUXO JR.: [tried to catch it, but it zoomed outside] Too late!

MICHAEL: Goddamn it!

SIMON: Dang bullroar, bro!

MADDOX: Get Nate back inside now! [Nate abruptly burst through the front door screaming]

NATHANIEL: (PANTING) (SCREAMS) (DOOR BURSTS OPEN)

MADDOX: Thank Christ!

PEYTON: Are you alright?

[suddenly, the creature began to pull Nate outside, but his friends caught him]

NATHANIEL: Help!

ALL: Nate!

DALTON: Gotcha!

VINCENT: I got him!

DALTON: Quick! Grab a knife and cut the goddamn rope!

VINCENT: Mike! Kitchen knife! [Mike swiftly opens the drawer and pulled out a kitchen knife]

MICHAEL: Bingo! Catch! [accidentally throws a knife at Maddox's leg, causing Maddox to howl in pain]

ILANA: Shut the door! [Maddox quickly shut the door and gave a sigh in relief]

DALTON: [terrified shaking] Jesus!

NATHANIEL: You're right, Peyton. The basement door is at the other side of the house. It's locked up.

ILANA: Damn it! We're so close, the water was underneath us! [pointed at the floor]

PEYTON: What do you mean?

ILANA: It's there under the floor!

MADDOX: "Under the floor"? Maybe we should dig it up!

ILANA: Really? That was a good idea.

MICHAEL: [looks down at the floor and taps at the floor] (TAPPING FLOOR)

Scene 11: The Apocalypse/Strictly No Tussing About

NIGHT 3

[In Night 3, All of Maddox's friends kept digging up the floor. When the 10-minute timer is set, Nate heads up stairs to Peyton's room]

NATHANIEL: (APPROACHING UPSTAIRS) Hey, Michael and Simon's shift ends about 10 minutes.

PEYTON: OK, night 3, it is. [picks up her stuff to help Maddox and his pals, Nate sat next to Peyton and began the conversation while sitting on the bed]

NATHANIEL: May I ask you something?

PEYTON: Hmm?

NATHANIEL: Do you really think it is... the Apocalypse?

PEYTON: You saw something out there, didn't you?

NATHANIEL: OK, let's say, just for example, for the sake of argument, what if I did? If this is real stuff happening? We're not ready for this, what should we do?

PEYTON: The Holy Bible says in the Book of Revelation, "The worthy will ascend to Heaven." If it's the Apocalypse, it's not the end of us. There's still hope. Somehow we'll try to prove our worthiness.

NATHANIEL: OK, I mean if like the Ten Commandments, do unto others as you would have them do unto you.

PEYTON: That's a fresh start.

NATHANIEL: You know, to just overall love, just be nicer and follow those commandments.

PEYTON: Listen, we're gonna get through this. We're gonna get through this, hon. Wanna know why? Because we're gonna do this together.

NATHANIEL: Do you promise?

PEYTON: Together, we're gonna do this.

MICHAEL: (WHISPERING) [peeks his head through the door, and listens closely to Nate and Peyton chatting friendly] I hear everything.

MADDOX AND MICHAEL: (MINING) [While Maddox and Michael kept digging up the floor, Ilana stepped to the edge of the balcony, carrying her prop gun]

ILANA: Who did this? Who did this!?

MADDOX: [scoffs and looks up at Ilana] Did what? What are you talking about?

ILANA: [showed Maddox the drool that was all over the LEGO Life Magazine Pages] Drooled all over the pages in the LEGO Magazine, I'm nice enough to tell you about. Is it you, Maddox?

MADDOX: No.

ILANA: No?

MICHAEL: [raised his hand] It's me, I made drool all over the magazine pages.

ILANA: Why!?

MICHAEL: When I stimulate long enough, I end up peeing all over. Is it real stuff that works for you?

ILANA: Real smart-ass answer! Why won't you aim, huh?

MICHAEL: I have an explosive discharge, it goes everywhere! It's like a wild water hose, just grab on and pray to God so it doesn't get in your eyes or your mouth.

ILANA: What kind of stimulation is that!? You don't have any brothers, do you not learn how to drool in the toilet or in the backyard?

MICHAEL: I don't have any siblings! I am raised in the house of thugs!

ILANA: I doubt if those punks taught you to shut your eyes and run wherever you want!

MICHAEL: You're getting worked up with a goddamn LEGO magazine, who has LEGO magazines anymore? Welcome to the Human Test Subject Research Center, P-Body, you made this whole place with a bunch of electronics and LEGO stores and play-places in every chamber, you were jumping off like a pilgrim!

ILANA: That's right, I like to read, dude, I want to read mags and novels and booklets!

MICHAEL: And you think it's the only thing I hoist up my crotch up there!? I'm dropping loads around this flipping house like a goddamn dump truck!

ILANA: You don't run on my stuff!

MICHAEL: I'm gonna run on the furniture, backstage, supply closet, I'll run everywhere!

ILANA: I'm gonna run on you like a madman, Norris!

MICHAEL: (ANGRILY) [scowls] Ooh, I wish you'd run on me, I really dare you to!

ILANA AND MICHAEL: (GRUNTING ANGRILY) [swung their fists at each other, growling in grave frustration]

MICHAEL: (EXCLAIMS IN FRUSTRATION) [banging the baseball bat between his legs] God! I'm gonna hoist my crotch up so hard and so bad!

ILANA: This, no more! All over your face!

MICHAEL: This more, all over the place!

ILANA: Never!

MICHAEL: I'm gonna run on those electronics, kitchen, couch room, dishes, I'll run everywhere!

ILANA: [aims her handgun at Michael] If I see your balls one more time, I'm gonna shoot it off!

MICHAEL: You got no bullets, jerk!

ILANA: [waves her revolver] No more tussing about at the store, Michael!

MICHAEL: [frustrated, he threw the bat to the ground and stormed out of the hole where Maddox was digging] (GRUNTS IN FRUSTRATION) Forget this, I'm too thirsty to deal with it!

This bitter funny irony is I'm not gonna quench my thirst until I finish this, goddamnit, I hate it!

MADDOX: Mike, wait!

MICHAEL: Too late, Maddox, I walked away too far already!

MADDOX: No, you didn't, you can just still come back and help me out! Mike? Michael?

Scene 12: The Basement/Water Party

MADDOX: (MINING CONTINUES) (SIGHS) [Maddox miserably kept mining all by himself, Peyton came by]

PEYTON: Need a hand?

MADDOX: Yeah, you know what, your shift has ended. Ready for Night 4. You don't have to help me if you don't want to, it's fine, I get it.

PEYTON: What else can I do?

MADDOX: I appreciate it, cariño.

PEYTON: Thanks, hon.

MADDOX: Done and done, that's cool.

MADDOX AND PEYTON: (BOTH MINING) [While they mine up the floor, Maddox and Peyton are in a familiar teen chat]

MADDOX: Hey, Motes?

PEYTON: Yeah?

MADDOX: There's something I want to say... (STAMMERS) I remember when I was a kid, I've seen 300.

PEYTON: You watched an R-rated film?

MADDOX: Yeah, I'm not afraid at all, Mom said it's fine as long as I won't be disturbed by wartime violence and bloody gore.

PEYTON: Uh, OK.

MADDOX: While I was watching 300, I jumped when I saw the blood splatter on a boulder, wall, or ground. I pooped once when I was astonished by the "Armageddon" between Spartans and Persians a long time ago.

PEYTON: (GIGGLES) That's funny.

MADDOX: Of course. (TITTERS) I got astonished as I saw the ancient rivalry in Greek, and I was like... (YELPS), [makes farting noise] and I almost pooped in my panties.

MADDOX AND PEYTON: (BOTH LAUGHING)

ILANA: Thank Christ! You two OK?

MADDOX: Yeah, we're fine.

PEYTON: Yep! I almost broke my butt in half.

NATHANIEL: You made it!

MICHAEL: Oh my God!

ILANA: Thank goodness!

SIMON: You did it!

NATHANIEL: Here! Take this! [tosses Maddox the Alexa device]

MADDOX: What was that?

NATHANIEL: It's Alexa.

MADDOX: Who's Alexa?

[static cuts to the scene where Maddox strikes a match and arranged the matches together like he did last time]

(MATCH STRIKES)

MADDOX: OK, I remember how this works. Whoever gets a burnt match has to go to Ilana's neighbor's house and go get some more food and water.

ILANA: (BREATHES) OK, here it goes.

ILANA: [grabs the match] Yes!

MADDOX: Simon, you OK?

SIMON: Beg your pardon?

MADDOX: You alright?

SIMON: Yeah, just bad sleep, I had a crazy dream.

MADDOX: Here.

SIMON: (SIGHS) (MATCH TOPPLES) [grabs the match and drops it]

ILANA: Blast, something's wrong with him.

MADDOX: Dalton, it's your turn now.

DALTON: Nope, I'm good.

MADDOX: (SIGHS) Nate, it's your turn.

NATHANIEL: OK.

NATHANIEL: (SIGHS) [grabs the match and it was Peyton's turn]

MADDOX: Alright, Peyton, it's your turn.

(SUSPENSEFUL MUSIC PLAYING)

[Peyton stealthily grabs the match, Maddox had a burnt match left in his hand]

PEYTON: (BLOWS MATCH)

ILANA: Maddox! No! Not you!

MADDOX: (FACEPALMS) I'm declining to go.

PEYTON: [looks at Maddox] What?

MADDOX: I'm not even going! Why don't you just go, Ms. Self-Righteous?

ILANA: [glared at Peyton and crossed her arms] If you tell Maddox's mother, she thinks you're entitled.

PEYTON: (MATCH BREAKS) [she broke the match and dropped it] You know what, I'm going.

SIMON: (SOFTLY) It's working.

NATHANIEL: [picked up his pickaxe] Peyton, that means I should go with you.

PEYTON: OK, go with me then. [Maddox opened the door and let Nate and Peyton step outside]

(DOOR OPENS)

(FIRE ROARING)

MADDOX: Let's go, you two. Searching for now. Good luck.

PEYTON: Till then, Maddox. [after Peyton and Nate walked out of the mall, Maddox then shut the front door]

(DOOR CLOSES)

OUTSIDE

(OMINOUS MUSIC PLAYING)

PEYTON: Oh dear. [she and Nate held their weapons, inspecting chaos. All around them, there's an abandoned playground, stray animals hiding everywhere, and fire all around them]

NATHANIEL: Innocents lost.

(FIRE CRACKING)

PEYTON: [pointed at the fire] Look, fire everywhere.

NATHANIEL: This might be the shelter. [pointed at the abandoned shelter]

PEYTON: (WHISPERING) Yeah, there it is!

NATHANIEL: (SOFTLY) OK, let's go, let's go, let's go!

DAKOTA DAVIS'S HOUSE

NATHANIEL: [opened the front door and he and Peyton stepped inside and looked around]
There's no one there.

PEYTON: (LOUDLY) Hello!?

NATHANIEL: (SHUSHING) [elbows Peyton, shushing her] Quiet! What is all that yelling about?

PEYTON: We gotta find out...

NATHANIEL: You can't just blurt out like that. Crack you in the head with this dustpan!

PEYTON: OK. Maybe we should split up!

NATHANIEL: What do you think that is, Scooby-Doo? We must find good stuff in the kitchen as much as we can and get outta here.

PEYTON: Alright, that's using the old noodle! [she and Nate headed off to the kitchen to search for some food]

BELK

MADDOX: [walked upstairs to Ilana's room] Hello.

ILANA: Hi, what are you doing here?

MADDOX: Oh, it should be me out there. I totally forgot about those guys. [before long, Maddox heard Simon cry out and turned pale and realized what had happened]

SIMON: (CRIES OUT FROM DOWNSTAIRS)

ILANA: Uh-oh.

MADDOX: Simon! [Maddox and Ilana quickly ran downstairs toward Simon who lied down on the floor to rot]

MADDOX: Simon! [tried to get Simon to answer him]

ILANA: Dude!

MADDOX: What the hell? What should we do?

ILANA: Got any first aid or something?

MADDOX: (CLAPS) Simon! You OK?

ILANA: Oh, snap!

MADDOX: Some conditions required my attention, he has an IBS!

ILANA: [turned to look at Maddox] Upset stomach?!

MADDOX: [nodded his head] Yeah, irritable bowel syndrome!

ILANA: Maddox, get me the ratatouille, I'll feed him some!

MADDOX: [ran off to the fridge to get a slice of ratatouille] I'll get the ratatouille!

DAKOTA DAVIS'S HOUSE

[By now in the kitchen, Peyton was everywhere searching for food and water. Peyton opened the refrigerator, she gagged as she saw the food rotten in the fridge. But Nate opened the cabinet, he saw the food still fresh]

(REFRIGERATOR OPENS)

PEYTON: (GAGS)

(CABINET OPENS)

NATHANIEL: (GASPS IN DELIGHT) Peyton! Come and see! [Peyton came to Nate and saw the food all fresh and good for people to eat]

PEYTON: Nate! I'd be doggone!

BELK

[Meanwhile, Maddox handed Ilana the ratatouille and tried to get Simon to feel better]

MADDOX: Simon! Simon! Stay with me!

ILANA: Maddox, open his mouth. Come on, Simon! Taste your ratatouille.

MADDOX: Yeah, you loved your ratatouille, right?

ILANA: Yummy yum!

MADDOX: (EXCLAIMS IN FRUSTRATION) [tried to get the ratatouille in Simon's mouth, but his mouth had been shut tightly] It's not working! What the hell?

ILANA: How should we open his mouth?

MADDOX: Chew the ratatouille, and spit it in his mouth like a baby bird!

ILANA: [took a bite of the ratatouille and munched it] (MUNCHING) Mmm.

MADDOX: You swallowed it!

ILANA: It's so good.

MADDOX: Give me a bite! [Ilana gave Maddox the ratatouille and Maddox took a bite of it and started to chew the vegetables. It's delicious. Maddox usually was reminded of the Pixar movie he used to watch when he was a child] (MUNCHES) Mmm. The second it hits your mouth, it tastes amazing. Thank you, Remy. [utters a thumbs-up hand gesture]

ILANA: OK.

MADDOX: Open it. [Just as Ilana was about to spit her saliva covered with ratatouille inside Simon's mouth, Simon abruptly began to speak Latin in his demonic distorted voice]

SIMON: (SPEAKS LATIN IN DISTORTED VOICE)

MADDOX: (GASPS) What was that? [Ilana swallows and Maddox was shocked by the power of Simon's foreign language]

ILANA: I think it's Turkish.

MADDOX: It's not Turkish... [placed his hands against his head] ...it's Latin or something like that! I've seen the American-Turkish adult comedy Bad Cat (2019) three years ago, but it's not Turkish! [Simon opened his gleaming black eyes resembling of the possessed animatronic from Five Nights at Freddy's, and gazed upon Maddox and Ilana who stepped back a little as Simon tells them that this could be the end of the world as they know it]

SIMON: (IN DEMONIC VOICE) You'll drown in the river of blood. The End of Days is here. You will quiver in the shadow of Kingdom Come. Judgment Day is upon you. The Apocalypse is *nigh*! [closed his eyes and lied down on the floor again]

DAKOTA DAVIS'S HOUSE

NATHANIEL: [after placing the food in his duffle bag] OK, this is all fit. Maybe we should get outta here and head back to Belk South Park.

PEYTON: Why go back? In theory we can finally stay here! There, you don't have to sleep in the tent under the balls.

NATHANIEL: I like my ball tent.

PEYTON: As I'm saying, Mr. Lewis, we can share a life together. I'll be good to you.

NATHANIEL: I'm scared as hell, I want to go back to your friends.

PEYTON: They're not my friends.

NATHANIEL: But Maddox's your friend.

PEYTON: We've been separated for years. This is why I didn't stay with him for the last time I was there. I stayed with him just in time to try and salvage it, it clearly didn't work out.

NATHANIEL: Peyton, like it or not, those besties are all we got. [there's no question a few moments later, Nate and Peyton heard the floor creaking]

(CREAKING)

PEYTON: Did you hear that? [Suddenly, the Wither crashed through the window, roaring at Peyton and Nate who gave out a shriek of terror]

(CRASH)

(WITHER ROARS)

PEYTON AND NATHANIEL: (BOTH SCREAM)

Scene 15: Simon Hershey Gets Possessed

BELK

MADDOX: What was that? [Ilana dipped her finger to the cold bile from Simon's mouth]

ILANA: Yuck, what is this bile?

MADDOX: Smell it.

ILANA: No, you smell it.

MADDOX: (SNIFFS) [smells the bile on Ilana's finger, it smells like vomit] Ugh, smells like puke.

ILANA: Puke! [tried to wipe the puke off her finger]

MADDOX: Don't get it on me, ew! [dusted his shirt]

POSSESSED SIMON HERSHEY: (VOMITING) [Suddenly, out of the blue, Simon became possessed and vomited on Maddox and Ilana who exclaimed in disgust as they cover their eyes]

MADDOX AND ILANA: (BOTH EXCLAIMING IN DISGUST)

MADDOX: My eyes! They burn!

ILANA: Yikes!

MADDOX: [wiped the puke off his eyes, looked around the house] Where the hell did he go!?

ILANA: He just disappeared!

DAKOTA DAVIS'S HOUSE

[Meanwhile, Peyton was chased down the hall by the wither]

PEYTON: Shoot! Shoot!

(WITHER ROARING)

PEYTON: Oh my god! Jesus! Help! [The wither crashed through the wall after Peyton took cover and ran for her life while Nate cowers behind the couch]

WITHER: (CRASH) (GROWLING)

BELK

MADDOX: Fudge! [shakes off the vomit] (SHAKES OFF PUKE) Simon!

ILANA: [wiped the puke off her glasses] Simon, stop this!

MADDOX: Where are you, why did you vomit on us!? [Suddenly, possessed Simon dragged Ilana down the floor, Maddox is shocked]

POSSESSED SIMON: (ROARS)

MADDOX: (SCREAMS) Stop! Leave Ilana alone! Bad Simon! Stop eating her! [Possessed Simon turned to Maddox and uttered a demonic hiss and shoved Maddox to the ground]

POSSESSED SIMON: (HISS)

ILANA: Look out, he's super strong!

MADDOX: (GRUNTS) (SHOUTS) Oof! (SLIPS) [Simon dragged Maddox down and climbed onto him] Whoa, yike! Oh no!

POSSESSED SIMON: (IN DEMONIC VOICE) I'm gonna tickle-touch you, Maddox!

MADDOX: (LOUDLY) Don't tickle-touch me!

POSSESSED SIMON: (IN DEMONIC VOICE) What are they, B's, C's, F's, or G's? I'm gonna push your pillows together! Push them together!

MADDOX: (PUNCHES) [before Simon could tickle-touch, Maddox punched Simon off of him] Ilana! Pass me something!

ILANA: Alright, here! [tries to toss the easel in Maddox's hands, but accidentally threw it at Maddox's back]

(EASEL CLATTERS)

MADDOX: Ouch! Snap!

POSSESSED SIMON: (ROARS) [Simon picks up Maddox and threw him to the balcony]

MADDOX: (SCREAMS) (CRASH) Ouch! [writhed in pain after crashing through the rail]

ILANA: Oh no! [run upstairs]

POSSESSED SIMON: (ROARS)

MADDOX: Whoa, god! [picked himself up and followed Ilana]

ILANA: We're going crazy!

DAKOTA DAVIS'S HOUSE

PEYTON: Shoot, shoot, shoot! Oh, man, oh man! [Peyton tried to open the door, but it's locked] (WITHER ROARS)

PEYTON: [The Wither spotted Peyton] Oh, c'mon, c'mon, c'mon! Open the door! [Peyton pulling the doorknob]

(WITHER SNARLING)

PEYTON: [The Wither charged straight at Peyton] No-no-no-no!

NATHANIEL: (SCREAMING) [Catches Peyton and they both crashed through the door, glass shattered everywhere, Nate and Peyton flew outside and landed on the ground]

(GLASS SHATTERING)

PEYTON AND NATHANIEL: (GROANING IN PAIN)

NATHANIEL: Jesus...

BELK

MADDOX: [looking for a place to hide] Fudge! We gotta hide! We gotta hide!

ILANA: He's coming!

MADDOX: I know he's coming! I don't know what to do! (GASPS) [noticed the closet behind him]

ILANA: Where are you going?! [Maddox opened the closet doors]

(CLOSET DOORS OPEN)

MADDOX: (WHISPERING) C'mon! [he and Ilana trotted in the closet, shut the doors behind them, and hid behind the clothes hanging in the closet]

ILANA: Oh.

(CLOSET DOORS CLOSE)

POSSESSED SIMON: (SNIFFING) [came smelling for the victim's scent]

MADDOX: Please go away! I'm scared, Ilana! [terrifyingly breathing] (PANTING)

ILANA: Quiet! Shh! You're breathing through your mouth!

MADDOX: Am I?

ILANA: Yeah, don't breathe through your mouth!

MADDOX: (HUFFING) [breathing through his nose]

ILANA: You're breathing through your nose!

MADDOX: I don't know where else to breathe from. (HYPERVENTILATING) [when Maddox hyperventilates, possessed Simon turned to look at the closet and walked towards it]

POSSESSED SIMON: (SNARLS)

MADDOX: (GASPS)

ILANA: Oh no! Don't move! [she and Maddox used the clothes to cover their mouths to breathe from]

MADDOX: He's coming this way! Oh shit!

POSSESSED SIMON: (GROWLING) [Simon was about to open the closet doors. With a loud yell, Maddox and Ilana burst out of the closet and knocked Simon down]

(DOORS BURST OPEN)

MADDOX AND ILANA: (BOTH SCREAMING)

ILANA: Get out of my way!

MADDOX: Move it!

ILANA: (YELPS) [Maddox and Ilana almost died tumbling down the staircase, then they landed]

MADDOX AND ILANA: (BOTH TUMBLING)

(CRASH)

MADDOX: Ow!

ILANA: You OK?

MADDOX: Yeah, I bruised a rib! [Suddenly, Peyton and Nate burst inside the house screaming, which scared Maddox and Ilana]

(CRASHING)

PEYTON AND NATHANIEL: (SCREAMING)

MADDOX: What the hell!?

ILANA: Holy jeez, dude, what are you doing!?

PEYTON: What are you doing!?

MADDOX: What are you doing!?

NATHANIEL: (PANTING) There's a wither chasing us!

ILANA AND MADDOX: (IN UNISON) [looked at each other] Wither!?

PEYTON: What happened to you guys!?

MADDOX: That! [pointed at Simon slack-walking towards them]

POSSESSED SIMON: (SNARLS)

ILANA: It's Simon Hershey! He's possessed! [Peyton is shocked]

MADDOX: Peyton, look out! [With a loud shout, Peyton swung a bat and knocked Simon down]

PEYTON: (SCREAMING ANGRILY) (BASEBALL BAT BANGS)

MADDOX: Ooh!

NATHANIEL: God!

MADDOX: Why, you brained him!

PEYTON: That is what I'm supposed to do, right? [Simon hissed at Maddox's friends, Peyton is startled and banged the bat on Simon's head again, knocking him unconscious]

POSSESSED SIMON: (HISS)

MADDOX, ILANA, VINCENT, PEYTON, AND NATHANIEL: (ALL SCREAMING)

(BASEBALL BAT BANGS)

PEYTON: Melon farmer.

Scene 16: The Plan

[After the time, Maddox and the gang tied Simon up on the bed, Luxo Jr. and his lamp buddies hopped on the nails, attaching to the backboards of the bed, fastening them all the way]

LUXO JR.: (TAPPING) Fasten!

NATHANIEL: C'mon, nail it up!

PAXEL: Tie him up quickly!

JAXON: (HOPPING) Hurry it up!

PEYTON: Goddamn you, bastard! [pointing her baseball bat at the unconscious possessed Simon Hershey]

MADDOX: He's bad news if he wakes up! [placed strips of duct tape on the nails that are attached to the backboards of the bed]

ILANA: Yeah, he's super strong!

DALTON: Holy cow, dude!

LUNA JR.: [cutting off the obscenity that Dalton uttered] Watch your mouth, darn it!

PEYTON: Goddamnit, I'm gonna hit you with a dustpan! [Ilana, Nate, Dalton, and Vinny ran over to the living room, Maddox grabbed Peyton by the arm and dragged her to the living room, following his friends]

MADDOX: C'mon, Peyton! Move it!

PEYTON: OK!

[The scene cuts to the outside of the mall in Night 5, where the disasters continued, the scene cuts to the living room, while Maddox and the gang are on the meeting in the living room, deep in conversation]

NIGHT 5

OUTSIDE

(FIRE ROARING)

(WIND HOWLING)

BELK

ILANA: OK, OK, this stuff is driving me cray-cray. I mean it's real, like the Apocalypse.

MADDOX: Yeah, I mean like, the Book of Revelation, that means there's a God, right?

VINCENT: I haven't led my life as though there's a God this whole time.

NATHANIEL: Who saw that coming that there's actually a God?

LUXO JR.: I say 95% of the whole planet.

JAXON: Jesus Christ, dude.

PEYTON: [glared at Jaxon] You need to stop saying that.

JAXON: "Jesus Christ"? Why? Why can't I say that?

PEYTON: One of the 10 Commandments said, "Thou shalt not take the name of the Lord thy God in vain."

MADDOX: Jesus isn't the name of the Lord.

ILANA: Yeah, Jesus is a son of God.

LUXO JR.: Well, Jesus, God, it's all the same. It's all the Trinity, Father, Son, and Holy Spirit. It's like Neapolitan ice cream.

DALTON: I don't know what "Commandment" means.

ILANA: Guys, guys, I think this is some sort of baloney, because we're all great guys. I can look each one of you in the eye, I know you look great. I am great. We're all young adults. We hold special places in the hearts of all of our fellow teenagers.

NATHANIEL: Yeah, but we don't do it for free. Parents need to deal with this stuff, right?

MADDOX: We pay bills, we evolve into a professional challenge.

VINCENT: Dissemble it's getting warm when it's cold. You're sitting at the beach, it's freezing, talking about someone, everybody's surfing.

DALTON: I think God might have messed up, made a mistake, left us behind by accident. He got a lotta stuff on His plate.

PAXEL: It's not an oversight, it's not a mistake, OK? We must take a hint, face the facts, we are here, there's the only reason why we're there.

JAXON: I've done many things, I gouged the zombie's eyes out.

MADDOX: [shocked about Jaxon's dark jokes] What the f...

LUXO JR.: Piss off, Jaxon! When I was young, I got into a wrestling challenge.

PAXEL: This is such a Street Fighter game, man.

MADDOX: Luxo Jr. said I didn't call it Mortal Kombat, I do call it Mortal Kombat. My old friend, Serafettin, swung his left arm, and forcefully punched Cizer's face so hard, and the Tank helped Shero. That zombie was their first kill, Shero is the one who put Tank on board.

PEYTON: We're not talking about Serafettin, dude, but screw it, you know. Bad Cat is rated R and is intended for us, bro.

MADDOX: That stuff happens, I kind of missed my soulmate from Rama Road, Saydie Casper. She was awesome, and she was super sweet to me.

PEYTON: Wait, Saydie was about your age?

MADDOX: Yes!

VINCENT: That's screwed up, life would've been a perfect teenage Mr. Monk.

MADDOX: Vinny, we've done more bad stuff that usually happened, and it's time to pay a dollar. [There's no question in the middle of the conversation, the lights suddenly shut down]

(LIGHTS FLICKERING)

(POWER DOWN)

LUXO JR.: Blast!

MADDOX: Uh-oh.

NATHANIEL: Power outage! [everyone turned on the flashlights and flicked the lighters]

(FLASHLIGHTS CLICK)

(LIGHTERS FLICK)

ILANA: Something's wrong.

PEYTON: God did it to us. He gave us light, then He took it away from us.

(POSSESSED SIMON HERSHEY GROWLING IN DISTANCE)

MADDOX: [hearing Simon snarling in the distance, Maddox knew that Simon woke up] Did you hear that?

JAXON: That's a soundtrack of us going insane.

NATHANIEL: Damn, I wish there's something we could do to help him.

PEYTON: [knowing the Exorcist gave her an idea] I know what we can do. (BLOWS OUT CANDLE) [blows out the neurotoxin-scented candle, everything went black]

Scene 17: The Exorcism of Simon Hershey

[the title *The Exorcism of Simon Hershey* shows as the Halloween Organ sound plays, then the scene cuts to Maddox and the gang putting candles on Simon's dresser. Peyton, who's wearing a black jacket and carrying a bible in her armpit, a bottle of holy water in her right hand, and a wooden crucifix on her left hand, came over to Possessed Simon who was struggling on the bed, growling in the demonic distorted tone]

(EERIE ORGAN MUSIC PLAYS)

(DOOR OPENS)

(SIMON SNARLING)

MADDOX: Ugh, there's a stench in there. [held his nose]

PEYTON: Simon Hershey? Simon!

SIMON: (CACKLING IN DEMONIC VOICE) [cackled demonically as he looked at Peyton]

PEYTON: Simon Hershey!

SIMON: (IN DEMONIC VOICE) Simon Hershey is no more!

PEYTON: Demon!

SIMON: (IN DEMONIC VOICE) [gleams in the demonic eyes, grinned evilly] Yes! (CACKLING)

MADDOX: [his eyes grew wide, and his face turned pale as milk] Wow, this is not good.

SIMON: (IN DEMONIC VOICE) [scowls] Peyton, you fool!

PEYTON: [raised her crucifix to Simon] I say unto thee, the Power of Christ compels you!

POSSESSED SIMON: Is that gonna compel me, is that what's happening?

PEYTON: The Power of Christ compels you! The Power of Christ... compels you!

POSSESSED SIMON: (CACKLES) Guess what, that is not gonna compel me.

MADDOX: [shrugged] Peyton, seriously? That's your plan? You gonna repeat the lines from the Exorcist?

PEYTON: I've seen it, at least they've done the research.

MADDOX: [crossed his arms] It's a supernatural horror movie.

PEYTON: I know. It's a manual. It's a training manual.

POSSESSED SIMON: (CACKLING)

PEYTON: [climbed onto the bed, showing Simon the crucifix] I say unto thee... The Power of Christ compels you! The Power of Christ compels you! The Power of Christ compels you!

POSSESSED SIMON: [felt his rotten body itch] Peyton, it hurts a bit! This is a little sting!

PEYTON: [sprinkled holy water on Simon, kept raising the crucifix] The Power of Christ compels you!

POSSESSED SIMON: (PANTING) [squeezed his eyes shut, suffered a terrible headache] Seriously, bug off!

PEYTON: The Power of Christ compels you! [suddenly, the entire bedroom began to rumble, the bed shakes like a tremor on the floor]

(RUMBLING)

MADDOX: [shocked] Peyton?!

PEYTON: The Power of Christ compels you! The Power of Christ compels you!

NATHANIEL: [raising his hands in a desperate attempt to stop her] You're making it worse! Stop it!

LUXO JR.: (GASPS) [terrified] Whoa, god!

VINCENT: [trotted behind Maddox] Holy shit, dude!

PEYTON: The Power of Christ compels you! The Power of Christ compels you! The Power of Christ compels you! The Power of Christ compels you! The Power of...!

MADDOX: [dragged Peyton off the bed, interrupting an exorcism attempt] Get off!

PEYTON: [dropped the crucifix and the bottle of holy water and the bible, angrily shoved Maddox away from her] Don't you dare touch me, you psycho!

MADDOX: Easy, tiger!

PEYTON: Blast you! [flips the bird at Maddox]

MADDOX: [angrily points an index finger at Peyton] You're a freaking psycho, you liar!

PEYTON: [exasperated] Still?

MADDOX: [nodded his head] Yeah, still!

ILANA: [trying to hustle her friends, pointing at Simon on the bed] Guys, guys, we got a possessed guy over there, don't we have to argue about this?

POSSESSED SIMON: Let 'em fight.

LUXO JR.: [trying to calm Maddox down] Calm down!

DALTON: Guys, relax!

NATHANIEL: [waved his hand] We got an exorcism to finish, hello?

PEYTON: [hanged her head in guiltiness] Wanna know why I stayed without you? You changed, you're a freaking sell-out.

POSSESSED SIMON: [nodded his head] You did sell out, everyone says.

MADDOX: At least I did change, but you acted like you're 17 years old still, Peyton!

POSSESSED SIMON: [sarcastically sighs] Grow up, Peyton, that's why he's yelling at you.

MADDOX: You've been holding me back this whole time! [shoved Peyton back]

VINCENT: Yeah, that means blast you.

PEYTON: (EXCLAIMS IN ANGER) [furiously, Peyton charged at Maddox, she pinned Maddox to Simon's dresser, knocking over the candle]

MADDOX: [crashed to the dresser] Oof!

DALTON: Guys, c'mon!

MADDOX AND PEYTON: (FIGHTING)

(CANDLE TOPPLES)

PEYTON: Blast you, piece of crap! [the candle falls out of the dresser, rolling over to the blanket, setting it on fire]

ILANA: Get out, get out! [while Peyton and Maddox fought, she pinned Maddox to the cabinet, causing the cabinet door to fall off and reveal there's still more food in the cabinet]

PEYTON: (GRUNTS)

MADDOX: (SHOUTING)

(CABINET DOOR TOPPLES)

PEYTON: [stopped fighting, staring at the buffet in the pantry] What?

NATHANIEL: More food?

VINCENT: [opened the pantry all the way] What the shuck is this, Delevieluese?

ILANA: More food? What?

LUXO JR.: How did it get here?

PAXEL: Maybe one cracker for a snack for you.

NATHANIEL: I could've shucked the corn for half a cracker.

ILANA: You know what, I don't want you to shuck my corn, OK? [not noticing the fire burning the bed behind the doorway]

NATHANIEL: Look, I didn't want to suck 'em! This is the point, I think it's our food!

(FIRE ROARING)

PEYTON AND MADDOX: (SHOUTING IN WARNING) [pointing at the fire behind Ilana]

ILANA: Do you smell something burning? (GASPS)

ILANA AND NATHANIEL: (BOTH) Simon is on fire!

MADDOX: Use bottles of water! [all ran back to Simon's room, grabbing the fire extinguisher]

LUXO JR.: Fire extinguisher!

POSSESSED SIMON: Help!

JAXON: Put it out!

DALTON: OK, OK! [tried to douse the fire on the bed with the fire extinguisher, the fire kept on enlarging, Maddox and the gang shrieked as Simon broke free and burned alive]

(FIRE EXTINGUISHER FOAMING)

(FIRE ROARING)

(ALL SCREAMING)

MADDOX: Oh my God!

PEYTON: Run for your lives! [Possessed Simon was caught on fire and chased Maddox's butt down]

LUXO JR.: Shoot, shoot, shoot!

VINCENT AND ILANA: Oh no! Get outta here!

LUNA JR.: Where'd he go!? [Simon fell off the balcony and landed on the floor]

(ALL SCREAMING)

NATHANIEL: All of you, outside! Now! [everyone stood back away from Simon and they headed to the front door as the boards crushed Simon to the ground]

(ALL SHOUTING INDISTINCTLY)

(CRASH)

ILANA: Let's get outta here!

MADDOX AND PEYTON: Run!

Scene 18: Nathaniel and Vincent Stand Their Ground

OUTSIDE

[Everyone tumbled down the staircase and flew out of the collapsing mall]

DALTON: Watch out, watch out!

(EXPLOSION)

(ALL SHOUTING)

(CRASH)

(ALL MOANING IN PAIN)

ILANA: (GRUNTS) Oh, my fortress! [mourning over Belk South Park, noticing that the mall was about millions of dollars worth a damage]

NATHANIEL: Well, ever since we're outside the open yard, how are we gonna escape!

ILANA: Maybe we can take the car! [pulls out the car keys from her pocket and unlocks the doors from her convertible]

(CAR BEEPING)

MADDOX: Yes!

LUXO JR.: We can take a convertible! [Suddenly, the gigantic dragon landed on the convertible, which startled Maddox and the gang who stepped back]

(ENDER DRAGON ROARS)

(DRAMATIC MUSIC PLAYING)

ILANA: Oh my God!

MADDOX: No way!

PEYTON: We're totally screwed, dudes!

LUXO JR.: It's over man! Game over, man!

(ROCK MUSIC PLAYING)

NATHANIEL: [determined to volunteer to sacrifice themselves with Vincent and Dalton] Guys, I got this.

MADDOX: Man, you're gonna get yourself killed!

VINCENT: [nodded his head] We know. I deserve it. I've been so selfish in my whole damn life. But it's better to die of free foods and drinks than to live in confinement.

NATHANIEL: Vinny and I will distract the dragon, y'all get in the car.

MADDOX: Thanks for having our back, you're a real pal.

DALTON: [smiles] Thanks bud, you're the best ever!

PEYTON: I love you, Nate, I always have.

ILANA: Thank you, Vincent, I appreciate it.

NATHANIEL: I love you too, Peyton, I know you can count on me.

VINCENT: Thanks Ilana.

DALTON: Goodbye, you guys. Don't stay here for too long.

[Nate, Vinny and Dalton ran in front of the Ender Dragon, taunting and shouting at it]

NATHANIEL: Hey! Over here!

DALTON: Dickhead!

VINCENT: You fire-breathing black purple-eyed monkey fighter! No one's scared of you!
